29 Jul 2024 15:45	32032	FIM1	SUPERVISOR	
29 Jul 2024 15:45	32032	FIM1	SUPERVISOR	With reference to the national decision model I have considered the information / intelligence available to me at this time.
29 Jul 2024 15:45	32032	FIM1	SUPERVISOR	I believe that deployment of, and investigation by unarmed officers is inappropriate in view of that information / intelligence.
29 Jul 2024 15:45	32032	FIM1	SUPERVISOR	
29 Jul 2024 15:45	32032	FIM1	SUPERVISOR	I authorise the deployment of AFOs as I have reason to suppose that officers may have to protect themselves or others from a person who:
29 Jul 2024 15:45	32032	FIM1	SUPERVISOR	
29 Jul 2024 15:45	32032	FIM1	SUPERVISOR	1) Is in possession of, or has immediate access to, a firearm or other potentially lethal weapon,

29 Jul 2024 15:45	32032	FIM1	SUPERVISOR	2) Is otherwise so dangerous that the deployment of armed officers is considered to be appropriate.
29 Jul 2024 15:45	32032	FIM1	SUPERVISOR	This authority gives the officers permission to arm themselves with the weaponry at their disposal, with consideration of less lethal options, when they deem appropriate and at
29 Jul 2024 15:45	32032	FIM1	SUPERVISOR	their discretion and in accordance with their training. It will be necessary for a thorough search to be conducted for an armed subject and I believe that a firearms authority is
29 Jul 2024 15:45	32032	FIM1	SUPERVISOR	therefore justified, proportionate, lawful, accountable, necessary and the least intrusive method available to achieve the safety of public and the police in the event of an

29 Jul 2024 15:45	32032	FIM1	SUPERVISOR	
29 Jul 2024 15:45	32032	FIM1	SUPERVISOR	The overarching working strategy is to protect and save life.
29 Jul 2024 15:45	32032	FIM1	SUPERVISOR	ARVs are to locate any victims, assess their immediate safety and preserve life.
29 Jul 2024 15:45	32032	FIM1	SUPERVISOR	ARVs are to identify, locate, and contain the threat.

29 Jul 2024 15:46	32032	FIM1	SUPERVISOR	MISSION / VALUES: I have considered the Statement of Mission and Values. The police have a duty to uphold the law, prevent crime and ASB, keep the peace, protect and reassure

29 Jul 2024 15:46	32032	FIM1	SUPERVISOR	investigate crime and bring offenders to justice. The public expect the police to fulfil these duties therefore the deployment of police patrols is appropriate and justified.

29 Jul 2024 15:46	32032	FIM1	SUPERVISOR	STOP SEARCH: Indictable offences have been committed therefore powers of stop search exist under sec 1 PACE 1984. Powers to enter premises to save life or limb, prevent serious

29 Jul 2024 15:46	32032	FIM1	SUPERVISOR	Powers also exist under common law to enter premises to deal with or prevent a breach of the peace.

29 Jul 2024 15:46	32032	FIM1	SUPERVISOR	USE OF FORCE:
29 Jul 2024 15:46	32032	FIM1	SUPERVISOR	Officers are reminded of their responsibilities and powers to use force under the following and other legislation: -

29 Jul 2024 15:46	32032	FIM1	SUPERVISOR	These aspects of legislation contain 2 key principles: -
29 Jul 2024 15:46	32032	FIM1	SUPERVISOR	A person may use such force as is reasonable in the circumstances in the prevention of crime or in effecting or assisting in the lawful arrest of offenders or

29 Jul 2024 15:46	32032	FIM1	SUPERVISOR	i. The use of force should be proportionate, reasonable, necessary and the minimum required.

29 Jul 2024 15:46	32032	FIM1	SUPERVISOR	incident is compliant with ECHR principles in that I believe it to be justified, proportionate, lawful, necessary, and the least intrusive to achieve my working strategy in this
29 Jul 2024 15:46	32032	FIM1	SUPERVISOR	incident. Deployment is also in accordance with the positive obligation to protect the right to life (Article 2 ECHR).

29 Jul 2024 15:46	32032	FIM1	SUPERVISOR	I believe it is necessary to take immediate steps to identify, locate, and contain any subject(s) and to take appropriate action to neutralise the threat posed. I have
29 Jul 2024 15:46	32032	FIM1	SUPERVISOR	considered and, in the circumstances, discounted the below tactical options as I believe the immediacy of the apparent threat makes them impractical in achieving my aims and
29 Jul 2024 15:46	32032	FIM1	SUPERVISOR	strategy:
29 Jul 2024 15:46	32032	FIM1	SUPERVISOR	a) Waiting
29 Jul 2024 15:46	32032	FIM1	SUPERVISOR	b) Taking mitigating action (HVP, providing protection, minimising subject's capability)

29 Jul 2024 15:46	32032	FIM1	SUPERVISOR	
29 Jul 2024 15:46	32032	FIM1	SUPERVISOR	As a consequence I have authorised the following tactical options with necessary parameters in an effort to identify, locate and contain the subject, offer opportunities for
29 Jul 2024 15:46	32032	FIM1	SUPERVISOR	tactically safe communication with the subject and neutralise the threat posed, ultimately by decisive action in the event that this proves absolutely necessary.
