Great

SW is also attending and using it as a TAF meeting, so hopefully we can start progressing with support.

Don't know whether it's...

- Overaccommodation
- Safeguarding
- Gaslighting

Or some combination of the above. But yeah the one thing that's clear is that it's systemic!

Maybe we should introduce them to the **DPA** and the **DPA**!!!

What time is the meeting again on 25th? I would quite like to come along if I can; might see if I can re-jig whatever it was that was clashing with it

But yeah if I can't then I'll defo catch up with you beforehand

Seriously!!! This is more systemic than mental health do you think? I feel that parents aren't clear on how to manage Axel's ASD?

Everyone has accepted invited for review meeting on 25th, I know you cant make it, which is a shame but we can have a catch up before the meeting and I can relay your views on your behalf?

This case baffles me!!!

Hi Mrs Dawson

Axel told me that he wants another teacher, not the one he had the last time he attended. He said that's when he will come back. Apparently, he is boring that Axel falls asleep amid his sentence. He said that others are fine.

Thanks,

Alphonse
