I&S

I&S

Investigating officer Morley

- bat in bag, bag over fence

- assault **DPA** 2-3 lines with the bat

Target **DPA** - not in school

prepared statement -

no intention to use the knife

admits to assaulting **DPA** but not explains
stated being bullied no further info

no comment

stated not researching anything at the
school - aggressively

denies he said Target **DPA**
kept laughing in interview re
weapons & research

Men didn't challenge behavior, no
names / no eye contact, men very
quiet - the way there as app
adult 2nd day

search of house - devices seized
laptop & phone

CPS want statement from Adam in
relation to research

400m range of school
not to contact witness
Adam

no modifications to Bat. - answered no
comment

DPA

said no issues or bullying

DPA

media ~~was~~ ^{had} contact on social
range - the day before - calling her
a reach

DPA

sub.

- no evidence of previous history at this time.

stated he did intend 'to kill him'

- Teachers were chasing him so assaulted
DPA as he didn't want to
get into trouble for nothing.

- showed no remorse.

- ASD. undiagnosed

CMH & forensic Camry referral made

Mum had been hiding knives from
him - fillet knife / kitchen knife then
one knife

DPA

- stated he

1st of 3 targets

DPA

Referral to Social Care for DPA been
made

DPA

- hit hand - no fractures.
Redding & grazes to upper arm.

Range School - Head of House

Axel - acting article of the school -

elder of Y8 - Y9 as involved in
incident assaulted a boy during
lesson stated he had been teasing him
(prior to exclusion) permanently.

DPA

- denied allegations no
evidence of him being assaulted by
Axel ↑

S/O/M - contacted Childline saying
Axel brought a knife in on
10 separate occasions &
asked why stated to stab him"

AMU & JS referrals made by
school - state of mind wanted
to stab

DPA

PC Liam
Moseyville
Police.

hockey stick to hit him
knife to crush him off.
not bothered about prison sentence.

As a result of ^{dealt with on} 5/10/17 he was
permanently excluded from school
(Clare Police) first incident childlike

Previously lived in Cardiff -

Outcome from 5/10 - 8/10 -
Risk Assessment High (MIM) csc, health,
educational progressed to Early Help

DPA

School have dealt with dad, dad
had concerns if Axel had any
Special Educational Needs -
School stated more behavior issues

DPA

My assessment - in Cardiff
believe he has ASD, appointment
made for next year, requested
it to be brought forward

Risk to Child Awaitee was impulsive,
he couldn't follow it
doesn't understand consequences of going
to Jail

Real thing he has ADHD
Debra (AMU) will pick the case up

Forensic AMU - apt 2/1/19 2pm
(Offending and Risk)
(Waiting list for ASD)

- Community lead -
GPs not Psychiatrists
Accom attending since 17/10/19

- enrollment at Accom
- stated planning to use the knife -
endless
mom & dad didn't show any emotion

Quiet first few weeks

- Then concerns logged. Was per email

20/11 - Lanes AMU - stated he had debar
GP - so couldn't see him. Referred to
Community Readability - they stated they
would look at the referral.

Stated a boy was saying things about
him, but there is no evidence of
this

He then started to focus on some of

The teachers, dad refused to accept his behaviour stated he is a good boy

Ryke Assessments were put in place with the teachers (e.g. cooking with knives) searched him

Social relationships - quiet, at first & no eye contact

Stated boys picking on him, but was not the care they were trying to engage, made comments about the staff saying they are evil, bizarre behaviour

27/11 visited zoo bro was happy & engaging with other children

Early Help. Visit at home

Alan
Main priority dad - Alex's Education
Parenting 2000 already under parenting and had help. - therapy with with Axel
- cancelling dad paid for services

Dad did not want support from Early help

x2 weekly
cancellation
Claudia Parenting 2000. Seeing him since May - wanted to be part of TAF due to maintaining confidentiality

Bild family resistance in Jan - Parenting Centre

Depressive
curiosity

dad did not reply to several messages left
by Early Help

Anna - SW

Visit yesterday, display A.D. traits,
rigid thinking, literal

Reason he brought knife to school for his own
protection

Axel saying he was fight with **DPA**
no remorse, empathy,

Axel thinks there is something not right
with him - Bedroom marched like a
robot

only emotions sad or angry -
no facial expression / eye contact.

Parents don't challenge

Hates Dick **DPA**

No comment re videos etc.

- Spoke about war where family members
were killed

Jan 18 - Jihad - asked about MEN -
Axel said it was a good battle
brought in relation to the suicide
bomber.

Early Action want he involved.

MM Record (SPTCA)

S47 - further investigation? - Risk of significant harm.

At risk of further harm.

- don't understand the trigger or how to prevent this

- Both parents work -
no concerns around neglect.

- further assessments in relation to Dora need to be done - too much when at this stage

- A follow up strategy discussion to be held

- Jan. next strategy meeting.

- 6th. 10am of Yuh Zone Riverside

- Bad conditions - very adhered to.
- Parents engaging

Acorns will not accept him back

- do not want to send him back to school at this stage as per MH

Pupil Access to attend next meeting

Access to visit

Exit MH. - to do an assessment. or to have

with Anna & Investigating officer
CSC will visit at least once a week

SJG 255 Pally Admin Acorns IT are looking for
content server

SS to link with with parenting 2000. I want
them to the next meeting

- Axel does not know where **DPA** lives
- internet access.

x No family or wider support.

News article Yahoo

- school shooting in America -
- Nim chuckles - building things in kitchen & weld it down anyway

1 month at school

- **DPA** was bullying me, beat me up
- was going to attack mainly him

- CAMHU screening - didn't see anything like album

loads in America

not good

- all devices still with police
- ipod. You like

- Forbids video games -

- Acorns not subtle - allegations from school

Code of Duty - not allowed to look at girl
on internet

9/1/19

15 year goes to Rang School

Don - in wheelchair 10 years

had to change school because of his brother
leave his friends

Thought **DPA** was jealous because people liked me
DPA attacked and hit him
and through him on the ground year 9

DPA I knew him on the driveway of the
year.

Don't Regret what I did.

Blame the Teachers for not stopping
DPA

Before year 9 never thought about doing
any of this.

Fiddling -
No friends / isolated.

DPA

CAMHS. - no eye contact

Abuse etc - Autism apparent ~~has~~ diagnosis & waiting list.
extreme emotion - he hates something
sense of injustice against him at school
and at home.
mum - and dad will spend more time with
him

- No MH concerns - no psychosis.

- not believed about devices been taken

✓ due to been at the start of this year.
process starting. forensic CAMHS 21st appt. -

look at alternative education / ^{practitioner} not able to
return to Acad at this age

No requirement for S47

- continuous assessment for social services /
Education.

SEND. - request for statutory Assessments to be undertaken

Made comments in relation to teacher getting
muddled extreme emotion of dislike & hate
internet history from school investigated by
Mentimeter.
