-------------------	---

Axel was using the computer to look at his English work (BBC bitesize). As Mrs Allred came closer to the screen and she noticed 2 other web pages were open with the words "London Bridge". At no point had Mrs Allred seen him look at these pages. Axel quickly closed them before anything else could be seen. Mrs Allred asked what Axel had been looking at. He said he was reading the news about the recent bomb that had been planted on London Bridge and he was reading the news. Mrs Allred asked Axel what he knew about it and Axel spoke in detail about the IRA, how it began and the "occupation" of Northern Ireland in the 1600's by the British and that is what started the conflict in Northern Ireland. Mrs Allred said she is pleased he is interested in history and global politics as long as he is looking at reliable websites as there are a lot of sites that say inaccurate things and he needs to get a balanced view. Axel said he understood, and he said he reads the Guardian. Axel then went onto to talk in great detail about the conflict between Israel and Palestine and his views on this and that some reasons for the conflict are justified in his opinion. He said that the MI5 have been asked to kill people in the IRA and Mrs Allred said it is unlikely and Axel clarified the news said that the MI5 had been asked to "take them out" which Mrs Allred clarified is different. Axel said there are always two sides to a story. Mrs Allred said that it is important that Axel isn't being influenced by anyone to believe an ideal and asked if he understood about radicalisation. Mrs Allred said if he is ever speaking to someone who says they have all the answers and to not trust anybody but them then that is not safe. Mrs Allred reminded Axel to make safe choices and not do anything that promotes violence in any way as he knows what the consequences of that are. Axel made no comment but nodded as though he understood. Mrs Allred asked would he be interested in a job as a journalist and Axel said no. It was clear by Axel's conversation he had read a lot about the history and current politics of these conflicts and had formed strong opinions about what was right. His conversation was animated and passionate as though these topics are of great interest to him.
