Reason for referral/Actions taken
Axel was admitted to the Acorns School on 17/10/2019 after a permanent exclusion from the Range High School in Sefton after taking in a knife to injure a fellow student. On receiving the safeguarding information from Range High School on the Pupil Exclusion Notification, it has been written that Axel admitted to bringing in a knife to Range High School on 10 occasions to “stab someone”-this has not been clarified by Range High School. There are several CPOMS reported by my colleagues as follows: 15/11/2019 Stephanie Heaton: “During ICT lesson today I found AR searching school shootings in America. When I told him to stop and get on with his work he tried to engage in a conversation about the subject but was told this was not going to happen. I have been told that we can no longer log student web history.” Action by Sharon Evans Form Tutor for Axel: “SE telephoned dad and informed him of incident. SE asked dad to reinforce that this was not an appropriate use of the internet during school. SE asked dad for update regarding CAMHs and was told that he was waiting for school to refer, as this had been agreed at admissions. SE informed J Hodson. Dad returned call a few minutes later, informing SE that AR said he had only copied behaviour of another student, and that he had clicked on a hyperlink to a news story. Mrs Martindale was present during the telephone conversation and said that she would need a few days to get a copy of AR's browser history. SE then informed dad that she would get back to him once this information was available. 29/11/2019 Stephanie Heaton: “At the start of the lesson AR refused to sit down and opted for walking up and down near his seat punching his hand hard. He was told to stop as he would hurt himself. He then sat down and started to work with SM very reluctantly. SM was trying to give him ideas how to promote his business and one suggestion was to tell people that his business was new to the area. He insisted that this would not be good because people would think he would kill them as they did not know him. He said that people don't trust others they don't know in case they get murdered. He was regularly out of his seat and then he walked to the highest part of the ceiling, jumped up and punched a laminate hanging from it very hard” 3/12/2019 Stephen Baker: “Within Art lesson, working with oil pastels colouring in Call of duty images. AR commented saying "Why can we have these with guns but can’t look at

guns on the Internet" and then said "can we have a picture of a severed head then", Mr Baker replied, this is not appropriate and changed the subject and explained that Art can be drawn with different topics such as still life which looks at the body form. He then tried to mention the topic again and I told him that everything you say is recorded and that the images have been allowed by Miss Cutts-Art Teacher."

3/12/2019
Antony McCann:
"In the workshop AR was discussing different YouTubers and YouTube videos. I couldn't concentrate on exactly what he was talking about or who but I think he was discussing with another pupil videos of people hurting themselves. He also made a comment about if a drill bit broke it could fly off and kill someone, he was quite graphic."

JL tried to contact Matt Chipchase for advice from MASH -left message-regarding referring AR to Sefton Targeted Youth Prevention services on previous recommendation by Alder Hay CAMHS.

"Good afternoon
I have tried to contact Matt Chipchase in regards to a query about the student named below without success. This young person falls between two local authorities and requires a referral to Sefton on targeted youth prevention as his GP is based in Sefton and he is based in Banks West Lancashire. Unfortunately, we are unable to refer without a MASH referral-please can you advise? See link https://www.sefton.gov.uk/schoolslearning/targeted-youth-prevention.aspx
Kind regards

4/12/2019
Sharon Evans:
During PSHE, CMcC used a swear word to comment on an image of Nicola Sturgen on the worksheet students were completing. There were other Political Party leaders on the sheet and AR said, 'He looks like a retard,' in regards to these. SE explained that this was inappropriate and considered 'politically incorrect'; SE also asked AR not to use this word again. He responded by stating that he had heard it used before. SE attempted to explain how the meaning of words changes over time, but AR was not listening and was talking over SE. At the end of the lesson, SE asked SM to log two instances of inappropriate language
by AR, who challenged this as 'I've not used swear words.' SE explained that the log kept bySM was about inappropriate language not just taboo language, and that using the word'retard' as an adjective describe someone was wrong and hurtful.

4/12/2019
Emily Forrester regarding Axel stating about his Keyworker Sharon Murphy:
'SM is a sexist, she made a joke about men at work'. AR then said 'she is a homophobic as she was drinking out of a 'Mrs' cup and shouted when we asked was she a lesbian'. AR then said 'she is a racist as well she said Coon earlier. She actually said to me AR you are a coon'. **Jane Eccleston Head Teacher spoke to Dad-Emergency review arranged for 5/12/2019 at 11.30am at Acorns.**
Jan Lewis contacted Lucy Parkinson from Early Help to inform of emergency

review-Ann Cookson her Senior Practitioner and either Jason Ellwood or Paul Harris from Community Safety Team to attend also.

"Good morning Paul
Thank you for your email regarding AR. My name is Jan Lewis and I am the DSL here at Acorns. I have already tried to refer this young person to MASH on 3/12/2019-I tried to contact Matt Chipchase and left a message for a call back for advice. I also sent an urgent email to MASH requesting advice and have had no response to the email as ofyet. Please can you offer any further advice? The meeting for AR will still be going ahead here at Acorns at 11.30am-can you confirm your attendance?
Kind regards

Email reply from Paul Harrison:
Good morning Jan. Thanks for getting back to me.I was in contact with the MASH yesterday evening. They advised me they could find no referral so there must be some confusion.Either way I have forwarded your e mail to a contact in the mash so I hope they will get in touch .
With thanks
Paul.
Ps.
I have been advised not to attend the meeting as this info on the face of it is of a higher risk than community safety to deal with.
