Hi [Carmen](#).

As [discussed](#), this is the email that I have sent to the [sgt](#) at custody in [Merseyside](#), i thing their version of [cpt](#) are dealing

The bit not on there is that he has planned and prepared this by ordering a taxi the day before.

I believe he has adapted the hockey stick and the knife which were found on him by Merseyside [police](#)

Cheers

Hi tara.

As per our telephone conversation.

I am part of the community safety team at [ormskirk](#) who generally try and work [work](#) with [people](#) ,[mainly](#) [youths](#) to keep them out of [bother](#). He lives in banks ,LANCS.

Over the last fortnight We were contacted by our Child and family wellbeing [service](#). They had a referral from acorns school in [ormskirk](#) where Axel has been a pupil for a short period.

The school were reporting very concerning traits and behaviour from [axel](#). They explained that axel had been expelled from The range school in Formby due to carrying knives into the school(exact details unknown).

He has been logging onto websites at school which involve school mass [shootings](#). He also wants to talk about [about](#) guns and beheading and seems to have a [ceratin](#) hatred of teachers in particular.

Due to our extensive dealings with the [aforementioned](#) establishments this info was gleaned to us but due to its worrying and potentially serious mature the school were informed to refer the info to our PREVENT team which deal with potential terrorism offences.

Acorns school duly did this and at this time our Prevent team are conducting background checks and obtaining specific details.

[However](#) we now have this incident which has occurred in the school in Formby for which Axel is currently in your custody.

This e mail is thus sent for your attention and assistance in ensuring that You have full knowledge of the individual in your care and that the investigating officers have a full picture of the [circs](#) and his alarming and worrying [behaviour](#).

Acorns school have informed me that they have had detailed communication with the Formby school and that they have stated that Axel went into the school with the sole intention of killing a particular pupil with the hockey stick and if that didn't work he would use the knife but the pupil in [question](#) was thankfully not at school today!! .

Could you please ensure that the ensure the investigating officers get this additional information please.

Thanks for your time.

All

Forgive the large group email but I want to ensure I have captured everyone who has expressed an interest in Axel while in Merseyside Police custody and requested a result.

As you are aware Axel was arrested for an assault on a child at Range High School, Formby, Merseyside (with use of a hockey stick), possession of an offence weapon (the hockey stick) and also possession of a bladed article (Knife) which was on his person at the time of the assault, although remained in his bag and was not used. While in custody further information was shared regarding concerning internet research completed by Axel and suggestion the attack at the school was planned due to a booked taxi.

He was bailed from Police custody on 11/12/19 due to the late hour and a request to return on the 12/12/19, the following day which he did with his mother acting as appropriate adult. Checks have been made with Lancashire EDT who confirm there are no concerns with Axel returning back to the family home on release.

EMAILS RELATING TO [Officer B] EXTRACTED FROM D191 (LANCS EMAILS)

Appropriate referrals have been made within Merseyside to be transferred to Lancashire. I am sharing this information under working together for any help, protection and support required to allow appropriate safeguarding considerations.

Axel has now been interviewed with legal representation. He provided a prepared statement admitting the assault, admitting possession of the hockey stick and knife but states he had no intention of using the knife or kill the alleged target of the attack and denies researching inappropriate material at the school on the internet. The report was referred to CPS, who following their instruction was bailed for charge decision to be made. He has been bailed with the following conditions:

1. NOT TO BE WITHIN 400 METERS OF RANGE HIGH SCHOOL, FORMBY, L37 2NY
2. NOT TO CONTACT BY SELF SERVANT OR AGENT [DPA] [DPA] OR [DPA] [DPA] BY ANY MEANS INCLUDING ELECTRONIC
3. NOT TO ATTEND THE ACORN CENTRE, RUFF LANE, L39 UNTIL CONFIRMATION OF RETURN IS GIVEN BY SOCIAL SERVICES OR THE APPROPRIATE AUTHORITY

I have updated Lancashire EDT this evening of this.

I have been informed that Acorn School in Ormskirk (where Axel currently attends) are unsure if he will be able to attend there and looking to complete a risk assessment once further information is known. Custody have requested Axel's mother to contact the school before attendance and seek appropriate authority before attending, hence the condition regarding Acorn.

Regards

Chris

Officer B

I have come back on duty this afternoon. In case you need it there is a date of 09/01/2020 at 1500 on the system. However, this may change for a number of reasons, decision not reached by then, decision made before then or postal charge.

Just in case you need a date for any admin side you have you could put 09/01/2020.
