"I am PC 4658 Alexander McNamee of Lancashire Constabulary and I'm getting in touch with regards our log LC-20191007-1383 which relates to your student Axel RUDAKUBANA. He has been carrying a knife recently at school and this is because of bullying he has received from a [REDACTED] DPA - there is therefore considerable risk of this seriously escalating. We were informed of this from ChildLine, which Axel had messaged about the bullying and taking a knife to school to protect himself. You will likely receive a call from a Police Officer on morning of 08/10/19 regarding this.

I am aware you are appraised of the bullying going on of Axel and have taken action but you will have to take further safeguarding - ideally this would include searching Axel and speaking to him regarding this. He seemed remorseful and said he will not take any knife to school again, mother is also on side and is hiding the kitchen knives.

We will be putting referrals in to have interventions put in place for Axel and he has been made fully aware of the consequences if he is found to have a knife at any time.

Thanks, and if you have any questions regarding anything please don't hesitate to ask via email or call 101 quoting the above log.

Thanks,
Alex."
