Hi anna.

I went to visit axels address today.  
Only said hello to axel briefly as I am not allowed to get involved in the investigation.  
I spoke to mum Letitia who ensured me that axel would be supervised all the time by her or dad.

I informed them that if he managed to give them the slip she should phone the police.

I got the impression they are still in denial over how serious this actually is.

The prevent contact is
