7 October 2019 22:13	<p>PC 4658 MCNAMEE sends email to Range High School, Formby stating:</p> <p>“RUDAKUBANA ... has been carrying a knife recently at school and this is because of bullying he has received from a [DPA] [DPA] - there is therefore considerable risk of this seriously escalating. We were informed of this from ChildLine, which Axel had messaged about the bullying and taking a knife to school to protect himself ... I am aware you are appraised of the bullying going on of Axel and have taken action but you will have to take further safeguarding - ideally this would include searching Axel and speaking to him regarding this. He seemed remorseful and said he will not take any knife to school again, mother is also on side and is hiding the kitchen knives.</p> <p>We will be putting referrals in to have interventions put in place for Axel and he has been made fully aware of the consequences if he is found to have a knife at any time ...”.</p>	Crime	Email sent from PC McNamee to Range High School dated 7 October 2019	LC-09

WHEN ASKED WHY HE STATED THAT HE HAS BEEN BULLIED BY A MALE CALLED [DPA] [DPA] AND THIS HAS BEEN GOING ON FOR SOME TIME. WE ASKED AXEL IF HE WAS WILLING TO USE THE KNIFE HE SAID PRETTY CERTAIN. AXEL HAS BEEN ADVISED OF THE SEVERITY OF CARRYING A KNIFE AND THE REPERCUSSIONS OF DOING SO. THE KNIFE HAS BEEN TAKEN OFF HIM BY HIS MOTHER AND THEY HAVE LOCKED THESE AWAY NOW SO HE HAS NO OPPORTUNITY OF GETTING ONE FROM THE ADDRESS. THERE IS NO APPARENT POSSIBILITY OF HIM GETTING ANY FURTHER KNIFE FROM THE ADDRESS NOR DOES HE HAVE THE CAPABILITY OF GETTING ONE OUTSIDE OF SCHOOL”	Crime	Incident Log – LC-20191007-1383 dated 7 October 2019	LC-01

They have spoken to him about the knife carrying and had broadly the same concerning conversation that police had with him. In addition, it has emerged that when given detention by a teacher last week AXEL was overheard to say "THIS IS WHY TEACHER'S GET MURDERED" - When asked about this he said that it was an off-the-cuff remark but obviously due to carrying a knife and saying he thinks he could use it this is additionally concerning. AXEL has been indefinitely excluded from school whilst a conversation is held about his future at the school and Mr. Cregeen is to update me via email once this is known.”</p>

	<p>“Axel was reported missing earlier in the day by his parents. They described this as out of character and thought it may be in relation to Axel attending a new school in April, he was due to meet his new teachers on the day on the incident. Axel is highly autistic and his new school is to support those with extra needs as mainstream education could not provide the best care for him.</p> <p>Axel was found on a bus a few hours after going missing, his parents had suggested he may have taken a knife from the home kitchen. When located, Axel told officers he had this knife. He told officers he thought if he committed a serious crime, the police could help get his social media blocked.</p> <p>Despite a long conversation with Axel, he could not understand the consequences of this.</p> <p>Axel was returned home and parents are taking him to hospital. A high risk VC was submitted for support.</p> <p>Axel does not have capacity and prosecution is not appropriate in this instance.”</p>
