0:00:02	Male Voice	Log 735. I've just clocked it. I believe, erm, if we can get a proper (inaudible) ... on it, that may be our MISPER Axel from Log 431.
	Control	Yeah received. We'll, er, give them a call back. See if there's anyone that can go over that way.
	Male Voice	Yeah. Well I think Car 9 was allocated as soon as, so he will do enquiries. Will you ask him to make over.
	Control	Yeah will do. Control to Sierra Bravo Car 8. Bravo 20, was it Bravo Car 8 or Bravo 4 8?
0:00:54	Officer	Car 9. I think that might be myself. Is this, is this for Axel?
	Control	Yes it is. It's, er, Log 735. (Inaudible) ... possibly spotted him near The Hesketh Arms in Rufford. If you wouldn't mind heading over.
	Officer	Yeah. Pass it to me. I'll take a look.
	Control	Thank you. Do you know the log number for the MISPER report sorry?
	Male Voice	It's 431.

	Control	Thank you.
0:01:23	Female Voice	Bravo Car 7 to Control. Five minutes and then heading over to.
	Control	Thank you.
0:01:32	Officer	Car 9. Just having trouble with me Samsung. What's he doing at The Hesketh Arms?
	Control	He's, er, got on a bus and got a bit stroppy with the driver and upset some elderly ladies. He's, er, stopped outside The Hesketh Arms and refusing to get off the bus. Erm, he's not paid either.
	Officer	Yeah (inaudible) ...
0:02:05	Male Voice	Yeah just going from the description we've got from the second log is that he's wearing all grey black track, sorry grey tracksuit and black trainers. Er, do we know exactly what Axel's wearing?
	Officer	That's different from what parents have told me. However CCTV has checked their cameras (inaudible) ... and no-one matching parent's description at time, so could well be Axel.
	Male Voice	Yeah.
