Hi again,

Thank you for email us the CAF report. Below are my suggested corrections:

1. On the first page under 'Reason for CAF assessment', please replace knives with a knife. (He carried one knife during that period)
2. On the 2nd page, under 'Child/young person summary', you wrote...communication issues between Axel and alphonse which can lead to confrontation.... please replace confrontation with arguments (there are no physical involved)
3. Still on the 2nd page, under 'Parents& Family, there is a typo error... parents ensures ... please remove s :)

That's all.

I was going to drive to Acorns tomorrow for the meeting. it is on Zoom, isn't it?

Reading the report has brought clarity and answered our concerns.

I will attend the meeting tomorrow.

Many thanks,

Alphonse
