Don't worry Carmen from PREVENT will be looking into it. She has worked with Axel before and knows about his background-she has more than likely done a lot of the legwork already and just wants to know if we have any further immediate concerns and at the moment there don't appear to be any.

I assumed that there was a concern?

I am concerned as I think he may not be active, but he could easily be radicalised and would be a huge risk if this happened -the risk would be very real of harm to others.

Can I chat to you about it tomorrow and see what we think?

Many Thanks,

Good afternoon Carmen

Apologies that I wasn't available to speak with you today as I am working from home. In relation to Axel ,we have no further concerns at this time. I have cc'd Maggie Allred Axel's high support tutor into this email. Maggie has informed myself and Jo Hodson our Acting Head Teacher that in relation to the Instagram post from Axel there is a possibility he could have written the actual post as it appears to be in his style of writing in relation to his ASD.

Kind regards

**Subject:** Concern

Good Afternoon

I tried to call you today but you were not available which is why I'm sending this email. I was just contacting you in relation to the referral for Axel Rudukabana. I just wanted to check that there were no further concerns other than the information from the previous school in relation to the Instagram posts? I'm out of the office and will not be able to take calls for the rest of this week but if you can reply to this email I will pick it up.

Many Thanks Carmen
