Hi Anna,

Paula Murphy from PVPU who is also the investigating Officer will attend.

I've spoken to CAMHS and they are unable to attend.....

I've invited both schools, Early Help and FCAMHS. They are all in the invite email.

Wouldn't Axel be under West Lancs CAMHS rather than Sefton?

Kind Regards,

Anna

Tuesday is good for me. I should be available.

I've had contact with Early Help who you are aware of

FCAMHS have accepted the referral and will be arranging a consultation soon. John Hicklin DPA – He has only been allocated the case today but if you can let them know, they may well be able to attend.

Jan Lewis Safeguarding Lead for Acorn School who can be contacted on DPA – I've not managed to speak with her yet.

Sefton CAMHS – They haven't fed back to me yet about if they will accept the referral. You could call and ask them to attend also

The Range High School was his previous school where he was excluded from for carrying a knife and it might be beneficial to ask them also! I don't have a contact number for them.

Let me know the time on Tuesday and I will make sure I am there

Hi Stephanie,

So happy to have spoken to you last night!

I was thinking maybe Tuesday?

Can you send me the emails of professionals/agencies you have who are involved?

Kind Regards,

Anna

Hi Anna,

It was a pleasure to speak to you on the phone earlier about the young man above. It might be easier to let me know via email about the strategy meeting next week. I'm wondering if it might be worth looking at asking a representative from YOT to also attend the meeting so we can establish what interventions are available from a Criminal Justice/Offending point of view rather than simply a mental health point of view? Not sure if this is something they offer but could be useful in terms of consultation etc? My other contact details are below should you need to get hold of me,

Kind Regards
