--------------------------	--------------	-------------

- Creative Design:** Our webcam cover is designed to provide privacy, security and peace of mind to individuals, groups, organizations, companies and governments. Covers your webcam when not in use, and prevents web hackers from spying on you and your family. Unique design allows you to easily enjoy safe digital life. IMPORTANT: Not compatible with Macbook 16 because the gap between the screen and keyboard is very tight when the laptop is closed.
- Ultra Thin and Featherlight:** Only 0.027 inch thickness, the webcam cover cannot be seen when the laptop is closed. It's made of premium ABS plastic with smooth edges, easy sliding closure.
