I think there was an incident with [DPA] but as far as I'm aware nothing major, why?

Day was fine. Few grumblings and an issue with KB and GB at end of day which could run over into tomorrow.

MC shutdown at swimming so we had to go and help but she did really well and was out walking to school by the time we got there.

Incident with LBai and MSc/LM/RH about phones and pictures. MSC needs more work tomorrow about this, Steve is picking him up.

CW had a meltdown and hurt [DPA], she ended up having to go home she was that upset. Don't know if we need to move her after her risk assessment. It's quite physical over there.

LB in year 9 upset over chromebook being taken away as consequence.

Axel in SF hasn't been seen for a while and when James did a home visit yesterday Dad said James couldn't see him as he might attack him after anxiety meds have been stopped. Cheryl and Mark doing home visit tomorrow.

[DPA] in SF we've spoken to mum and now contacted LANCs service manager as his case worker has missed a meeting and hasn't responded to mine or Hayley's emails. Awaiting reply.

[DPA] had to leave after being sick.

Staff late to training tonight so I think I'll ask Jenni to deliver it to those that missed the beginning as a recap, and remind staff at briefing they need to be on time.

Transport have borrowed a bus as theirs broke down at the end of the day with kids on it.

Just your average day really. Probably other bits too that will come to me tomorrow to fill you in on.
