	Officer	Go ahead.
	Control	Would you be good enough to have a look at a Grade 2 Missing From Home Log for 16 year old Axel RUDAKUBANA. Er, log 431 of today. Missing from the Banks area.
	Officer	I believe, er, Car 9's going to have a look at that. Are you going to pass to Merseyside as well just in case he's walked in that direction.
	Control	Oh good shout. I'll do that now.
