Why not?	
Have you gained consent by both parents with parental responsibility?	No
Why not?	
Who would you like us to contact initially?	

Information Sharing

Is this information sharing only?	Yes
What is the information you would like to share?	On 16/05/2022 11:57, Mark Rigby (mrigby@presfieldschool.org) wrote: Dear Sir Madam, My name is Mark Rigby and I am the Deputy DSL for Presfield High School in Southport. I am emailing in regards to the above student who is in attendance with us. We have found out today that he previously had a social worker (Matthew Embly?) and an early help worker (Sharon?), however I was informed today when I rang Lancashire Social Care that he has closed to a plan. Could you please let me know when his plan was closed and the reasons for it closing? We have some concerns as he has begun refusing to come into school, and dad reports difficult behaviours in the home - pouring milk into his bed to prevent him from sleeping, tipping dad's dinner over his head and pouring water over dad's laptop which has caused it to break. I have also CC'd my manager (school DSL Cheryl Smith). If someone could get back to me please. Thank you.

		☐ Step down to LP (off system) ☐ MASH Episode ☐ Progress to EHCP Transfer ☐ Link to Existing MASH Episode ☐ Start a Adult Workflow Episode				
Reason for Action Taken		further enquiries				
If you have selected Information and Advice/Universal Services/ Information and Advice only which one was it?		Information and Advice				
Managers Comments		GB 17.05.2022 11:27 referral from school. information request on case history. The child is known but closed. However, details of case history cannot be provided unless consent from a person with PR is obtained and recorded, unless immediate safeguarding is evidenced (the information within this referral does not evidence any immediate risk). the case will close and a referral response will be sent. The referrer is advised to discuss the concerns with a parent and obtain PR to then request any information. no further action will be taken.				
Has a referral response been completed?		Yes
