Hi Skott,

Lovely to meet you today. I've included details of John from FCAMHS who will be offering us a consultation in January for axel and his Social Workers email for easier communication.

Jake – I've included you just for reference. From today's meeting there is defo some further information that needs exploring from a mental health point of view. I.e. no evidence to suggest that he is being bullied which was his rational for committing the offence and school have investigated this, has made statements in school about teachers poisoning his food and other bits and bobs that may indicated possible Psychosis. Skott will aim to see him in the next week. Skott, if you need any info from a criminal justice point of view, then please contact either Jake or myself and we will support as best we can.

John Hicklin - John.Hicklin@gmmh.nhs.uk – FCAMHS

Anna.Jameson@lancashire.gov.uk – Social Worker

I'll let you both know the date, time and location of the FCAMHS consult after the next Strat and identify who should be invited based on the outcomes of their assessments etc

Kind Regards
