Circumstances					
Today Axel RUDAKUBANA has attended RANGE HIGH in FORMBY a school from which he is expelled from. He has taken a taxi to the school and has taken with him a hockey stick and a back pack with a kitchen knife in. Axel has attended the school to exact revenge on [DPA] as Axel believes he has been bullied by [DPA] in the past. Axel has not found [DPA] at the school as [DPA] is also currently expelled from the school. Axel not happy with this has ran at [DPA] and hit him three times with a hockey stick. Luckily [DPA] has reacted and covered his face with his arms so the attack has only resulted in reddening to his left arm and a small cut, he has also received painful fingers on his right hand. The headteacher has restrained Axel and taken him to an office to wait for police. On police arrival Axel has revealed he has a kitchen knife in his back pack and has been arrested sus section 47 assault, possession of an offensive weapon and possession of a bladed article and lodged at St ANNE STREET custody. It has later been found out that (a call from Police Officer in Sefton Paul Harrison who states he works with children in schools as part of terrorism PREVENT. He has expressed concerns relating to the DP doing internet searched for beheadings, school shootings and has the intent to kill another student. All this has been relayed to CJMHT and arresting officers to make contact in terms of safeguarding. His intention apparently was to kill the other student today with an adapted hockey stick and if that failed then he would use a knife. Fortunately this child was in today but dp assaulted another student with a hockey stick instead before admitting he had a knife in his bag. All details will be passed to SS and PVP in terms of supporting the dp.) There are obviously concerns regarding this male, the safeguarding of [DPA] who has no knowledge of the incident but the school will advise his parents of what has transpired today. The mental health team in custody are aware of this male and will assess him in custody.
