1. Purpose

1.1 The purpose of the Potentially Dangerous Persons Panel (PDPP) is to:

- To identify and assess referrals into the Potentially Dangerous Persons Panel.
- Provide a mechanism to consider offender management of nominals who are believed to be a risk and there is no current ownership.
- To use problem solving skills to consider ways to reduce the risk the nominals present, whether or not they are adopted.
- If adopted to complete an initial 8 week management period within MOSOVO including risk assessment.
- To provide a proactive approach to offender management aiming to reduce victims of crime, continued offending behaviour and cases becoming MAPPA eligible/requiring MAPPA management.
- Adhere to the guidance for Potentially Dangerous Persons as set out in the College of Policing MOSOVO APP.
